The submissions on this file and the Inspector's report were considered at a Board meeting held on 17/10/2023.

The Board decided to confirm the determination of the local authority in relation to the entire land parcel GCA00001252 including the lands pertaining to the proposed medical practice and dental practice. The Board disagreed with its Inspector in part as neither of these practices had yet been constructed or established. The Board did agree with its Inspector in relation to the remainder of the lands .

Therefore, the Board decided that all lands as identified GCLA0001252 are in scope as per Section 653B of the Taxes Consolidation Act 1997 , as amended, and should be included on the Supplemental RZLT maps.
