The submissions on this file and the Inspector's report were considered at a Board meeting held on 06/08/2024.

The Board decided to grant permission generally in accordance with the Inspector's recommendation, for the following reasons and considerations, and subject to the following conditions.

Reasons and Considerations

Having regard to the provisions of the Kildare Development Plan 2023-2029; it is considered that, subject to compliance with the conditions set out below, the development for which retention is sought would not seriously injure the visual or residential amenities of the area, nor by virtue of the presence of a new screen wall constitute a traffic hazard for users of the road network in the area of the appeal site. The proposed development would, therefore, be in accordance with the proper planning and sustainable development of the area.

Conditions:

1. The development shall be carried out and completed in accordance with the plans and particulars lodged with the application on the 27th January 2023, except as may otherwise be required in order to comply with the following conditions. Where such conditions require details to be agreed with the planning authority, the developer shall agree such details in writing with the planning authority prior to commencement of development and the

development shall be carried out and completed in accordance with the agreed particulars.

Reason: In the interest of clarity

2. Details of road signage and line painting, warning the public of the junction with the private road and of proposals for traffic management at the entrance to said junction, shall be submitted to and agreed in writing with the planning authority prior to commencement of development.

Reason: In the interest of traffic safety.

3. Surface water drainage arrangements shall comply with the requirements of the planning authority for such services and works.

Reason: In the interest of public health.

4. Site development and building works shall be carried out only between the hours of 0800 and 1900 from Mondays to Fridays inclusive, between 0800 and 1400 hours on Saturdays and not at all on Sundays and public holidays. Deviation from these times will only be allowed in exceptional circumstances where prior written approval has been received from the planning authority.

Reason: In order to safeguard the residential amenities of property in the vicinity.

5. The developer shall pay to the planning authority a financial contribution of in respect of public infrastructure and facilities benefiting development in the area of the planning authority that is provided or intended to be provided by or on behalf of the authority in accordance with the terms of the Development Contribution Scheme made under section 48 of the Planning and Development Act 2000, as amended. The contribution shall be paid prior to commencement of development or in such phased payments as the planning authority may facilitate and shall be subject to any applicable indexation provisions of the Scheme at the time of payment. The application of any indexation required by this condition shall be agreed between the planning authority and the developer or, in default of such agreement, the matter shall be referred to An Bord Pleanála to determine.

Reason: It is a requirement of the Planning and Development Act 2000, as amended, that a condition requiring a contribution in accordance with the Development Contribution Scheme made under section 48 of the Act be applied to the permission.

6. Height of the screen wall to be capped and reduced to 1.2 meters (including height of capping) above road level and the screen walls finish to be agreed with the Planning Authority
