The submissions on this file and the Inspector's report were considered at a Board meeting held on 04/06/2024.

The Board decided to grant permission generally in accordance with the Inspector's recommendation, for the following reasons and considerations, and subject to the following conditions.

Reasons and Considerations

Having regard to nature of the proposed development, the existing access to the site, the proposed drainage measures, the zoning of the site for residential development, the design and layout and the landscaping of the proposed development, it is considered that subject to the conditions set out below, the proposed development would be acceptable and in accordance with the provisions of the Dublin City Development Plan 2022-2028 and the Sustainable Residential Development and Compact Settlements Guidelines. The proposed development would, therefore, be in accordance with the proper planning and sustainable development of the area and would not negatively impact on adjacent residential amenities or structures.

Appropriate Assessment

The Board considered the information on the file, the Board concluded that the proposed development, individually or in combination with other plans or projects would not be likely to have a significant effect on any European site, and a stage 2 appropriate assessment is not therefore required.

Conditions

1.	<p>The development shall be carried out and retained in accordance with the plans and particulars lodged with the application, as amended by the further plans and particulars submitted in response to a Further Information Request on the 27th day of July 2023, except as may otherwise be required in order to comply with the following conditions. Where such conditions require details to be agreed with the planning authority, the developer shall agree such details in writing with the planning authority prior to commencement of development and the development shall be carried out and completed in accordance with the agreed particulars.</p> <p>Reason: In the interest of clarity.</p>
2.	<p>Lighting shall be provided beyond the narrowest point of the shared access laneway in accordance with a scheme, details of which shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development. Such low level lighting shall be designed as such to be fixed downwards, shall not be affixed to neighbouring properties and shall be provided prior to the making available for occupation of any house.</p> <p>Reason: In the interests of amenity and public safety.</p>
3.	<p>The works to the laneway as set out in V005-CSC-00-XX-DR-C-0001, and a resurfacing of the full length of the laneway, shall be completed prior to the occupation of the development.</p> <p>Reason: In the interest of amenity and of traffic and pedestrian safety.</p>
4.	Naming and numbering – SD condition
5.	<p>The internal road network serving the proposed development shall comply with the detailed standards of the planning authority for such road works.</p> <p>Reason: In the interest of amenity and of traffic and pedestrian safety.</p>

6.	<p>Details of the materials, colours and textures of all the external finishes to the proposed dwellings shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development.</p> <p>Reason: In the interest of visual amenity.</p>
7.	<p>Prior to commencement of development, the developer shall enter into water and/or waste water connection agreement(s) with Uisce Eireann.</p> <p>Reason: In the interest of public health.</p>
8.	<p>Water supply and drainage arrangements, including the attenuation and disposal of surface water and the location of a new fire hydrant, shall comply with the requirements of the planning authority for such works and services and shall be agreed in writing with the planning authority prior to the commencement of development.</p> <p>Reason: In the interest of public health.</p>
9.	<p>Site development and building works shall be carried out only between the hours of 0800 to 1900 Mondays to Fridays inclusive, between 0800 to 1400 hours on Saturdays and not at all on Sundays and public holidays.</p> <p>Deviation from these times will only be allowed in exceptional circumstances where prior written approval has been received from the planning authority.</p> <p>Reason: In order to safeguard the residential amenities of property in the vicinity.</p>
10.	<p>The construction of the development shall be managed in accordance with a Construction Management Plan, which shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development. This plan shall provide details of intended construction practice for the development, including:</p> <p>(a) Location of the site and materials compound(s) including area(s) identified for the storage of construction refuse;</p> <p>(b) Location of areas for construction site offices and staff facilities;</p>

	<p>(c) Details of site security fencing and hoardings;</p> <p>(d) Details of on-site car parking facilities for site workers during the course of construction;</p> <p>(e) Details of the nature, timing and routing of construction traffic to and from the construction site and associated directional signage, to include proposals to facilitate the delivery of abnormal loads to the site;</p> <p>(f) Measures to obviate queuing of construction traffic on the adjoining road network;</p> <p>(g) Measures to prevent the spillage or deposit of clay, rubble or other debris on the public road network;</p> <p>(h) Details of appropriate mitigation measures for noise, dust and vibration, and monitoring of such levels;</p> <p>(i) Containment of all construction-related fuel and oil within specially constructed bunds to ensure that fuel spillages are fully contained. Such bunds shall be roofed to exclude rainwater;</p> <p>(j) Off-site disposal of construction/demolition waste and details of how it is proposed to manage excavated soil;</p> <p>(k) Means to ensure that surface water run-off is controlled such that no silt or other pollutants enter local surface water sewers or drains.</p> <p>A record of daily checks that the works are being undertaken in accordance with the Construction Management Plan shall be kept for inspection by the planning authority.</p> <p>Reason: In the interest of amenities, public health and safety.</p>
11.	<p>The developer shall pay to the planning authority a financial contribution in respect of public infrastructure and facilities benefiting development in the area of the planning authority that is provided or intended to be provided by or on behalf of the authority in accordance with the terms of the Development Contribution Scheme made under section 48 of the Planning and Development Act 2000, as amended. The contribution shall be paid prior to commencement of development or in such phased payments as the planning authority may facilitate and shall be subject to any applicable</p>

	<p>indexation provisions of the Scheme at the time of payment. Details of the application of the terms of the Scheme shall be agreed between the planning authority and the developer or, in default of such agreement, the matter shall be referred to An Bord Pleanála to determine the proper application of the terms of the Scheme.</p> <p>Reason: It is a requirement of the Planning and Development Act 2000, as amended, that a condition requiring a contribution in accordance with the Development Contribution Scheme made under section 48 of the Act be applied to the permission.</p>
12.	<p>The developer shall pay to the planning authority a financial contribution in respect of Luas C1 Red Line Docklands Extension in accordance with the terms of the Supplementary Development Contribution Scheme made by the planning authority under section 49 of the Planning and Development Act 2000, as amended. The contribution shall be paid prior to commencement of development or in such phased payments as the planning authority may facilitate and shall be subject to any applicable indexation provisions of the Scheme at the time of payment. Details of the application of the terms of the Scheme shall be agreed between the planning authority and the developer or, in default of such agreement, the matter shall be referred to An Bord Pleanála to determine the proper application of the terms of the Scheme.</p> <p>Reason: It is a requirement of the Planning and Development Act 2000, as amended, that a condition requiring a contribution in accordance with the Supplementary Development Contribution Scheme made under section 49 of the Act be applied to the permission.</p>
