The submissions on this file were considered at a Board meeting held on 03/01/2025.

The Board decided to dismiss this appeal under section Section 138 (1) (b)(ii) of the Planning and Development Act, 2000, as amended, based on the following reasons and considerations.

**Reasons and Considerations:**

Under Section 138 (1) of the Planning and Development Act 2000 (as amended), the Board has the absolute discretion to dismiss a referral where the Board is satisfied that in the particular circumstances, the referral should not be further considered having regard to the nature of the referral or any previous referral which in its opinion is relevant. The referral relates to the erection of a marquee which was previously deemed exempted development under PA Reg Ref EC17/22. As it has been established that the marquee is exempted development the Board is therefore satisfied that, in this particular circumstances, the referral should not be further considered by the Board having regard to the nature of the appeal.
