The submissions on this file and the Inspector's report were considered at a Board meeting held on 17/11/2023.

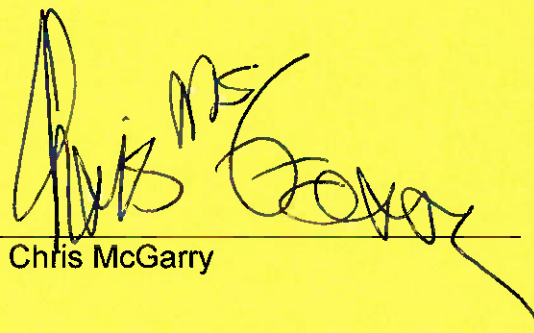

The application for an extension of time was given due consideration, resulting in the following decision, based on the reasons and considerations set out below:

Grant an extension of the period for the making of an application for substitute consent up to 20th October 2024.

Reasons and Considerations

The Board noted the request made for an extension of the period for the making of the application for substitute consent in this instance, arising from ongoing legal proceedings. It is considered that an extension of time until the 20th October 2024 would be reasonable and appropriate to enable completion of application documentation to the necessary standard.
