The submissions on this file and the Inspector's report were considered at a Board meeting held on 13/06/2024.

The Board decided to grant permission generally in accordance with the Inspector's recommendation, for the following reasons and considerations, and subject to the following conditions.

### **Reasons and Considerations**

Having regard to the pattern of residential development in the area, the zoning of the site and planning policy as regards the provision of childcare facilities as provided in the Kildare County Development Plan 2023 – 2029 and in the 'Childcare Facilities' Guidelines for Planning Authorities for Planning Authorities 2001, it is considered that, subject to compliance with the conditions set out below, the proposed development is in compliance with the aforementioned Guidelines and the objectives of the Development Plan, would not seriously injure the amenities of the area or of property in the vicinity, would be acceptable in terms of traffic safety and convenience and would, therefore, be in accordance with the proper planning and sustainable development of the area.

The Board considered having regard to the location of the proposed creche, not immediately adjacent to dwellings, and the nature of the use of the creche that the creche's operating hours should be from 7am – 6pm and not restricted to 8am as recommended by the Inspector.
