The submissions on this file and the Inspector's report were considered at a Board meeting held on 18/06/2024.

The Board decided to grant permission generally in accordance with the Inspector's recommendation, for the following reasons and considerations, and subject to the following conditions.

Reasons and Considerations

Having regard to:

- (a) the policies and objectives of the Fingal County Development Plan 2023-2029 in relation to rural villages and the land use zoning as RV, Rural Village,
- (b) the nature, location and extent of the proposed development and the established character and pattern of development in the vicinity of the site,
- (c) the location of the site within Ballyboughal Village and those speed restrictions along the R108 set at 50 kilometres per hour, and
- (d) the planned junction upgrade with the R108 permitted by planning reference number F22A/0239, it is considered that, subject to compliance with the conditions set out below, the proposed development would not seriously injure the character or residential amenities of the area, would be acceptable in terms of traffic safety and convenience and would be in accordance with the provisions of the development plan. The proposed development would,

therefore, be in accordance with the proper planning and sustainable development of the area.

Conditions

1. The development shall be carried out and completed in accordance with the plans and particulars lodged with the application, except as may otherwise be required in order to comply with the following conditions. Where such conditions require details to be agreed with the planning authority, the developer shall agree such details in writing with the planning authority prior to commencement of development and the development shall be carried out and completed in accordance with the agreed particulars.

Reason: In the interest of clarity.

2. The proposed dwelling shall not be occupied before the upgrade works with the R108 junction permitted by planning reference number F22A/0239 has been completed to the satisfaction of the planning authority.

Reason: In the interest of traffic safety.

3. Details of the materials, colours and textures of all the external finishes of the proposed development shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development.

Reason: In the interest of visual amenity.

4. Prior to commencement of development, the developer shall enter into water and/or wastewater connection agreements with Uisce Éireann.

Reason: In the interest of public health.

5. Surface water from the site shall not be permitted to drain onto the adjoining public road.

Reason: In the interest of traffic safety.

6. Site development and building works shall be carried out only between the hours of 0800 and 1900 from Mondays to Fridays inclusive, between 0800 and 1400 hours on Saturdays and not at all on Sundays and public holidays. Deviation from these times will only be allowed in exceptional circumstances where prior written approval has been received from the planning authority.

Reason: In order to safeguard the residential amenities of property in the vicinity.

7. The site shall be landscaped in accordance with a comprehensive scheme of landscaping, details of which shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development. This scheme shall include the species, variety, number, size and locations of all proposed trees and shrubs and all planting shall be adequately protected from damage until established. Any plants which die, are removed or become seriously damaged or diseased, within a period of five years from the completion of the development, shall be replaced within the next planting season with others of similar size and species, unless otherwise agreed in writing with the planning authority.

Reason: In the interest of residential and visual amenity.

8. The developer shall pay to the planning authority a financial contribution of in respect of public infrastructure and facilities benefiting development in the area of the planning authority that is provided or intended to be provided by or on behalf of the authority in accordance with the terms of the Development Contribution Scheme made under section 48 of the Planning and Development Act 2000, as amended. The contribution shall be paid prior to commencement

of development or in such phased payments as the planning authority may facilitate and shall be subject to any applicable indexation provisions of the Scheme at the time of payment. The application of any indexation required by this condition shall be agreed between the planning authority and the developer or, in default of such agreement, the matter shall be referred to An Bord Pleanála to determine.

Reason: It is a requirement of the Planning and Development Act 2000, as amended, that a condition requiring a contribution in accordance with the Development Contribution Scheme made under section 48 of the Act be applied to the permission.
