**AND WHEREAS** the Board decided, in accordance with section 146B(2)(a) of the Planning and Development Act 2000, as amended, that the proposed alteration would result in a material alteration to the terms of the development, the subject of the approval,

**AND WHEREAS** having regard to the nature of the issues involved, the Board invoked the provisions of section 146B(8)(a) of the Planning and Development Act, 2000, as amended, to invite submissions or observations in relation to the matter from members of the public, and prescribed bodies,

**AND WHEREAS** having considered all the documents on file, submissions and the Inspector's report, the Board considered that the making of the proposed alteration would not be likely to have significant effects on the environment or on any European Site,

**NOW THEREFORE** in accordance with section 146B(3)(b) of the Planning and Development Act, 2000, as amended, the Board hereby alters the above-mentioned decision so that the approved development shall be altered in accordance with the plans and particulars received by An Bord Pleanála on the 18<sup>th</sup> day of December 2023 for the reasons and considerations set out below.

### **REASONS AND CONSIDERATIONS**

Having regard to:

- (i) the nature and scale of the amendments to the development approved by An Bord Pleanála under Reference Number ABP-302881-18 for this site,
- (ii) the examination of the environmental impact, including in relation to European Sites, carried out during the course of that application,
- (iii) the nature and character of the proposed alteration when considered in relation to the overall approved development,
- (iv) the mitigation measures and precautions for the proposed construction works and operational phase,

- (v) the absence of any other significant new or additional environmental concerns (including in relation to European Sites) arising as a result of the proposed alteration, and
- (vi) the report of the Board's Inspector, which is adopted,

it is considered that the proposed alteration would be material but would not be likely to have significant effects on the environment or on any European Site. In accordance with section 146B(3)(b) of the Planning and Development Act, as amended, the Board hereby makes the said alteration.

### **Environmental Impact Assessment Screening Determination**

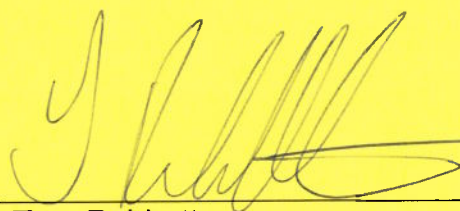

Having regard to:

- (i) the criteria set out in Schedule 7, in particular,
  - (a) the limited nature and scale of the proposed alterations, which do not affect the authorised use and comprise mostly of internal alterations to the consented library,
  - (b) the absence of any significant impact on sites of environmental sensitivity in the vicinity, including conservation areas, archaeological protection zones and protected structures,
  - (c) the location of the development outside of any sensitive location specified in article 109(4)(a) of the Planning and Development Regulations 2001, as amended,
- (ii) the results of other relevant assessments of the effects on the environment submitted by the applicant,
- (iii) the features and measures proposed by applicant envisaged to avoid or prevent what might otherwise have been significant effects on the environment, and in particular the proposals for additional excavation wastes generated by the larger lower ground floor and the careful monitoring of the condition of historic buildings during excavation,

the Board concluded that the proposed development would not be likely to have significant effects on the environment, and that an Environmental Impact Assessment Report is not required.
