At a meeting held on 28/05/24, the Board considered the report of the Inspector, and the documents and submissions on file generally in relation to the proposed development.

The Board decided that the proposed development, consisting of a proposed transformer compound and associated ancillary development, as set out in the plans and particulars received by An Bord Pleanála on the 26th February 2024, does not fall within the scope of section 182A of the Planning and Development Act 2000, as amended, and that a planning application should be made in the first instance to Donegal County Council.
