The submissions on this file were considered at a Board meeting held on 16/05/2024.

The Board decided to dismiss this appeal under section 138(1)(b)(i) of the Planning and Development Act, 2000, as amended, based on the following reasons and considerations.

On the basis of the submissions on file, including correspondence from Murphy Long and Taafe Solicitors, received by The Board on 27th March 2024, and which states that the listed appellants Emmet Davis and Maeve Lynch did not appeal the relevant grant of planning permission and that the appeal was made by someone purporting to be them, the Board determined that impersonation was involved in the lodgement of the appeal and that Emmet Davis and Maeve Lynch did not in fact lodge the appeal. Therefore, the appeal should be dismissed having regard to the nature of the appeal (not lodged by the persons so listed).
