The submissions on this file and the Inspector's report were considered at a Board meeting held on 13/12/2024.

The Board, in a 2:1 majority, decided to grant permission generally in accordance with the Inspector's recommendation, for the following reasons and considerations, and subject to the following conditions.

### **Reasons and Considerations**

Having regard to the Z4 Key Urban Villages / Urban Villages zoning objective pertaining to the site in the Dublin City Development Plan 2022-2028, it is considered that, subject to compliance with the conditions set out below, the proposed development would not detract from the residential amenities of the area and would not seriously injure the residential amenity of properties in the vicinity. The proposed development would, therefore, be in accordance with the proper planning and sustainable development of the area.

### **Conditions**

1. The development shall be carried out and completed in accordance with the plans and particulars lodged with the application, as amended by the further plans and particulars received by the planning authority on the 1<sup>st</sup> day of March 2024, except as may otherwise be required in order to comply with the following conditions. Where such conditions require details to be agreed with the planning authority, the developer shall agree such details in writing with the planning

authority prior to commencement of development and the development shall be carried out and completed in accordance with the agreed particulars.

**Reason:** In the interest of clarity.

2. (a) The permitted development shall not operate between 2300 hours and 0700 hours on any day.

(b) No deliveries shall be taken at or dispatched from the premises via Camden Villas.

(c) No handling of refuse including bottles and jars outside of the internal floorspace of the permitted development shall take place between 2100 hours and 0900 hours on any day

**Reason:** In the interests of residential amenity and clarity.

3. (a) No awnings, canopies or projecting signs or other signs shall be erected on the premises without a prior grant of planning permission.

(b) External roller shutters shall not be erected and any internal shutters shall be of the 'open-lattice' or 'perforated' type and shall be coloured to match the shopfront colour.

**Reason:** In the interest of visual amenities of the area

4. Drainage arrangements, including the attenuation and disposal of surface water, shall comply with the requirements of the planning authority for such works and services.

**Reason:** In the interest of public health.

5. Site development and building works shall be carried out only between the hours of 0700 to 1900 Mondays to Fridays inclusive, between the hours of 0700 to 1400 hours on Saturdays and not at all on Sundays and public holidays. Deviation from these times shall only be allowed in exceptional circumstances where prior written approval has been received from the planning authority.

**Reason:** In order to safeguard the amenities of property in the vicinity

6. During the operational phase of the proposed development the noise level shall not exceed (a) 55 dB(A) rated sound level between the hours of 0700 to 2300,

and (b) 45 dB(A) 15min and 60 dB LAfmax, 15min at all other times, (corrected for a tonal or impulsive component) as measured at the nearest dwelling.

Procedures for the purpose of determining compliance with this limit shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development.

**Reason:** To protect the residential amenities of property in the vicinity of the site.

7. The developer shall control odour emissions from the premises in accordance with measures, including extract duct details, which shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development.

**Reason:** In the interest of public health and to protect the amenities of the area.

8. The developer shall pay to the planning authority a financial contribution in respect of public infrastructure and facilities benefiting development in the area of the planning authority that is provided or intended to be provided by or on behalf of the authority in accordance with the terms of the Development Contribution Scheme made under section 48 of the Planning and Development Act 2000, as amended. The contribution shall be paid prior to commencement of development or in such phased payments as the planning authority may facilitate and shall be subject to any applicable indexation provisions of the Scheme at the time of payment. Details of the application of the terms of the Scheme shall be agreed between the planning authority and the developer or, in default of such agreement, the matter shall be referred to An Bord Pleanála to determine the proper application of the terms of the Scheme.

**Reason:** It is a requirement of the Planning and Development Act 2000, as amended, that a condition requiring a contribution in accordance with the Development Contribution Scheme made under section 48 of the Act be applied to the permission.

9. The developer shall pay to the planning authority a financial contribution in respect of the LUAS Cross City Scheme in accordance with the terms of the Supplementary Development Contribution Scheme made by the planning authority under section 49 of the Planning and Development Act 2000, as amended. The contribution shall be paid prior to commencement of development

or in such phased payments as the planning authority may facilitate and shall be subject to any applicable indexation provisions of the Scheme at the time of payment. Details of the application of the terms of the Scheme shall be agreed between the planning authority and the developer or, in default of such agreement, the matter shall be referred to An Bord Pleanála to determine the proper application of the terms of the Scheme.

**Reason:** It is a requirement of the Planning and Development Act 2000, as amended, that a condition requiring a contribution in accordance with the Supplementary Development Contribution Scheme made under section 49 of the Act be applied to the permission.
