The submissions on this file and the Inspector's report were considered at a Board meeting held on 04/11/2024.

The Board decided to grant permission generally in accordance with the Inspector's recommendation, for the following reasons and considerations, and subject to the following conditions.

### **Reasons and Considerations**

Having regard to the policy and objectives as set out in the Carlow County Development Plan 2022-2028, including the Rural Housing Policy and associated criteria under Rural Area Type Zone 1 Rural Areas Under Urban Influence, the established pattern of development in the area and the nature, scale and design of the proposed development it is considered that, subject to compliance with the condition set out below, the proposed development would not seriously injure the amenities of the area or of property in the vicinity, would not be prejudicial to public health and would be acceptable in terms of traffic safety and convenience. The proposed development would, therefore, be in accordance with the proper planning and sustainable development of the area.

### **Conditions**

1. The development shall be carried out and completed in accordance with the plans and particulars lodged with the application, as amended by the further plans and particulars received by the planning authority on the 11<sup>th</sup> August 2022, except as may

otherwise be required in order to comply with the following conditions. Where such conditions require details to be agreed with the planning authority, the developer shall agree such details in writing with the planning authority prior to commencement of development and the development shall be carried out and completed in accordance with the agreed particulars.

**Reason:** In the interest of clarity.

2. (a) The proposed dwelling, when completed, shall be first occupied as a place of permanent residence by the applicant, members of the applicant's immediate family or their heirs, and shall remain so occupied for a period of at least seven years thereafter [unless consent is granted by the planning authority for its occupation by other persons who belong to the same category of housing need as the applicant]. Prior to commencement of development, the applicant shall enter into a written agreement with the planning authority under section 47 of the Planning and Development Act, 2000 to this effect.
- b) Within two months of the occupation of the proposed dwelling, the applicant shall submit to the planning authority a written statement of confirmation of the first occupation of the dwelling in accordance with paragraph (a) and the date of such occupation.

This condition shall not affect the sale of the dwelling by a mortgagee in possession or the occupation of the dwelling by any person deriving title from such a sale.

**Reason:** To ensure that the proposed house is used to meet the applicant's stated housing needs and that development in this rural area is appropriately restricted [to meeting essential local need] in the interest of the proper planning and sustainable development of the area.

- 3 a) The use of the garage shall be for private domestic use only, solely for purposes incidental enjoyment of the dwelling house and not used for commercial, trade or industrial purposes or human habitation.
- b) The use of the attic space of the proposed dwelling shall be confined to storage only. Any conversion to habitable space shall only occur after a separate planning permission has first been obtained.

**Reason:** In the interest of residential amenity and in the interest of proper planning and sustainable development of the area.

4. The landscaping scheme, as submitted to the planning authority and An Bord Pleanála shall be carried out within the first planting season following substantial completion of external construction works. All planting shall be adequately protected from damage until established. Any plants which die, are removed or become seriously damaged or diseased, within a period of five years from the completion of the development, shall be replaced within the next planting season with others of similar size and species, unless otherwise agreed in writing with the planning authority.

**Reason:** In the interest of residential and visual amenity.

5. a) The entrance gates to the proposed house shall be set back not less than four metres and not more than six metres from the edge of the public road. Wing walls forming the entrance shall be splayed at an angle of not less than 45 degrees and shall not exceed one metre in height.
- b) The existing front boundary shall be retained except to the extent that its removal is necessary to provide for the entrance to the site.

**Reason:** In the interest of traffic safety and visual amenity.

6. Site development and building works shall be carried out between the hours of 08.00 to 18.00 Mondays to Fridays inclusive, between 08.00 to 13.00 on Saturdays and not at all on Sundays and public holidays. Deviation from these times shall only be allowed in exceptional circumstances where prior written agreement has been received from the planning authority.

**Reason:** To safeguard the amenity of property in the vicinity.

7. a) The roof colour of the proposed house shall be blue-black, black, dark brown or dark-grey. The colour of the ridge tile shall be the same as the colour of the roof.
- b) The external walls shall be finished in neutral colours such as grey or off-white.

**Reason:** In the interest of visual amenity.

8. a) All surface water generated within the site boundaries shall be collected and disposed of within the curtilage of the site. No surface water from roofs, paved areas or otherwise shall discharge onto the public road or adjoining properties.  
b) The access driveway to the proposed development shall be provided with adequately sized pipes or ducts to ensure that no interference will be caused to existing roadside drainage.

**Reason:** In the interest of traffic safety and to prevent flooding or pollution.

9. The water supply to the house have sufficient yield to serve the proposed development, and the water quality shall be suitable for human consumption and shall comply with the various requirements set out in the European Union (Drinking Water) Regulations SI 99 of 2023. Details, demonstrating compliance with these requirements, shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development.

**Reason:** To ensure that adequate water is provided to serve the proposed dwelling, in the interest of public health.

- 10 a) The septic tank/wastewater treatment system hereby permitted shall be installed in accordance with the recommendations included within the site characterisation report submitted with this application on [date] and shall be in accordance with the standards set out in the document entitled "Code of Practice - Domestic Waste Water Treatment Systems (Population Equivalent  $\leq 10$ )" – Environmental Protection Agency, 2021  
b) Treated effluent from the septic tank/ wastewater treatment system shall be discharged to a percolation area/ polishing filter which shall be provided in accordance with the standards set out in the document entitled "Code of Practice - Domestic Waste Water Treatment Systems (Population Equivalent  $\leq 10$ )" – Environmental Protection Agency, 2021. (c) Within three months of the first occupation of the dwelling, the developer shall submit a report to the planning authority from a suitably qualified person (with professional indemnity insurance) certifying that the septic tank/ wastewater treatment system and associated works is constructed and operating in accordance with the standards set out in the Environmental Protection Agency document referred to above.

**Reason:** In the interest of public health and to prevent water pollution.

10. The developer shall pay to the planning authority a financial contribution in respect of public infrastructure and facilities benefiting development in the area of the planning authority that is provided or intended to be provided by or on behalf of the authority in accordance with the terms of the Development Contribution Scheme made under section 48 of the Planning and Development Act 2000, as amended. The contribution shall be paid prior to commencement of development or in such phased payments as the planning authority may facilitate and shall be subject to any applicable indexation provisions of the Scheme at the time of payment. Details of the application of the terms of the Scheme shall be agreed between the planning authority and the developer or, in default of such agreement, the matter shall be referred to An Bord Pleanála to determine the proper application of the terms of the Scheme.

**Reason:** It is a requirement of the Planning and Development Act 2000, as amended, that a condition requiring a contribution in accordance with the Development Contribution Scheme made under section 48 of the Act be applied to the permission.
