The submissions on this file and the Inspector's report were considered at a Board meeting held on 07/02/2025.

The Board determined that

- the site was a vacant site within the meaning of the Urban Regeneration and Housing Act, 2015, as amended, and
- the amount of the levy has been correctly calculated in respect of the vacant site,

for the following reasons and considerations.

Reasons and Considerations

Having regard to:

- (a) The information placed before the Board by the Planning Authority in relation to the entry of the site on the Vacant Sites Register,
- (b) The grounds of appeal submitted by the appellant,
- (c) The report of the Planning Inspector,
- (d) The need for housing in the area, the site is suitable for the provision of housing as demonstrated by the residential land use zoning for the area, and

that insufficient reason is put forward to cancel entry on the Vacant Sites Register,

- (e) That the majority of the site is and was vacant for the period concerned,
- (f) The amount of the levy has been correctly calculated at 7% of the site value in 2023,
- (g) There has been no change in the ownership of the site during the period concerned, 2023,

The Board is satisfied that the site was a vacant site on the 1st of January 2023 and was a vacant site on 26th June 2024, the date on which the appeal was made, and the amount of the levy has been correctly calculated. The demand for payment of the vacant site levy under Section 15 of the Urban Regeneration and Housing Act 2015 is, therefore, confirmed.

The Board considered that it is appropriate that a notice be issued to the planning authority who shall confirm the demand for payment.
