The submissions on this file and the Inspector's report were considered at a Board meeting held on 23/10/2024.

The Board decided to grant permission generally in accordance with the Inspector's recommendation, for the following reasons and considerations, and subject to the following conditions.

Reasons and Considerations

Having regard to the location of the site a serviced urban area, the pattern of development in the area, the provisions of the Dublin City Development Plan 2022-2028 including the 'Z1' zoning objective for the area as well as Policy QHSN6 and Appendix 18, it is considered that, subject to compliance with the conditions set out below, the development proposed to be retained would be in accordance with local design guidance, would not seriously injure the visual or residential amenity of the area and would, therefore, in accordance with the proper planning and sustainable development of the area.

1.0 Conditions

| 2. | <p>The developer shall pay to the planning authority a financial contribution in respect of public infrastructure and facilities benefiting development in the area of the planning authority that is provided or intended to be provided by or on behalf of the authority in accordance with the terms of the Development Contribution Scheme made under section 48 of the Planning and Development Act 2000, as amended. The contribution shall be paid within 6 months of the date of this permission or in such phased payments as the planning authority may facilitate and shall be subject to any applicable indexation provisions of the Scheme at the time of payment. Details of the application of the terms of the Scheme shall be agreed between the planning authority and the developer or, in default of such agreement, the matter shall be referred to An Bord Pleanála to determine the proper application of the terms of the Scheme.</p> <p>Reason: It is a requirement of the Planning and Development Act 2000, as amended, that a condition requiring a contribution in accordance with the Development Contribution Scheme made under section 48 of the Act be applied to the permission.</p> |
