At meetings held on 21/11/2024 and 5/2/2025, the Board considered the documents and submissions on file generally, the written record of the consultation meeting, the requested changes to the record and the report of the Inspector.

The Board agreed to close the consultation. The letter to the prospective applicant confirming closure of the consultation, should also acknowledge the correspondence received by the Board seeking a correction of the minutes of the meeting held. The prospective applicant is to be informed that this correspondence will be placed on the file, and that the Board have decided that the record of the meeting is to remain as previously advised.
