**Re: Amending Board Order  
S146A of the Planning and Development Act, 2000, as amended**

The submissions on this file were considered at a Board meeting held on 12/06/2025.

The Board decided to exercise its powers under section 146A(1)(b) of the Planning and Development Act 2000, as amended, to amend its Order of 17<sup>th</sup> day of April 2025 by attaching a condition in respect of s.48 as the Board had omitted to attach a development contribution in lieu of public open space.

It is considered that amendment of the Board Order would not result in a material alteration of the terms of the development, the subject of the permission or decision.

Having regard to the nature of the issue involved, the Board decided not to invite submissions in relation to the matter from any person who had made submissions or observations to the Board in relation to the permission/other matter.

Accordingly the Board hereby amends the above-mentioned decision by the insertion of a new condition in accordance with the provisions of section 146A(1) of the Planning and Development Act, 2000, as amended, as follows:

18. The developer shall pay to the planning authority a financial contribution in lieu of the public open space requirement in respect of public open space benefitting the development in the area of the planning authority is provided or intended to be provided by or on behalf of the authority in accordance with the terms of the adopted Development Contribution Scheme made under Section 48 of the Planning and Development Act 2000, as amended. The contribution shall be paid prior to the commencement of development or in such phased payments as the planning authority may facilitate and shall be subject to any indexation provisions of the Scheme at the time of payment.

**Reason:** It is a requirement of the Planning and Development Act, 2000, as amended, that a condition requiring contribution in accordance with the Development Contribution Scheme made under Section 48 of the Act be applied to the permission.
