Reasons and Considerations

The lands identified as KE-C18-RZLT-7 (Land Parcel ID number KY0000001512-part of) are located on residentially zoned lands as identified in the current Milltown Local Area Plan and are considered to be in scope of Section 653B(a)-(c) of the Taxes Consolidation Act 1997, as amended. The lands are located within an established urban area with documentary evidence from Uisce Eireann that services are available, and no infrastructure capacity or other reasons have been identified that would prevent the development of these lands for residential purposes in accordance with the residential zoning objective that applies to these lands.
