Re: Amending Commission Order
S146A of the Planning and Development Act, 2000, as amended

The submissions on this file were considered at a meeting held on 17/12/2025.

The Commission decided to exercise its powers under section 146A(1)(b) of the Planning and Development Act 2000, as amended, to amend its Order of the 10th day of November, 2025 by attaching a condition in respect of s.48 as the Commission had omitted to attach a development contribution in lieu of public open space.

The Commission decided that a clerical error had occurred in not attaching the s.48 development contribution in lieu of public open space condition.

It is considered that amendment of the Commission Order would not result in a material alteration of the terms of the development, the subject of the permission or decision.

Having regard to the nature of the issue involved, the Commission decided not to invite submissions in relation to the matter from any person who had made submissions or observations to the Commission in relation to the permission.

Accordingly the Commission hereby amends the above-mentioned decision by attaching a condition in respect of s.48 in accordance with the provisions of section 146A(1) of the Planning and Development Act, 2000, as amended, as follows:

22. The developer shall pay to the planning authority a financial contribution per unit as a contribution in lieu of the public open space requirement in respect of public open space benefitting the development in the area of the planning authority is provided or intended to be provided by or on behalf of the authority in accordance with the terms of the adopted Development Contribution Scheme made under Section 48 of the Planning and Development Act 2000, as amended. The contribution shall be paid prior to the commencement of development or in such phased payments as the planning authority may facilitate and shall be subject to any indexation provisions of the Scheme at the time of payment.

Reason: It is a requirement of the Planning and Development Act, 2000, as amended that a condition requiring contribution in accordance with the Development Contribution Scheme made under Section 48 of the Act be applied to the permission.
