The submissions on this file and the Inspector's report were considered at a Board meeting held on 07/03/2025.

The Board decided to grant permission generally in accordance with the Inspector's recommendation, for the following reasons and considerations, and subject to the following conditions.

Reasons and Considerations

Having regard to the location of the site on serviced urban land, the RE Existing Residential land use zoning of the site, the change in national and local planning policy since previous Board decisions on this site, the existing pattern of residential development at this location and the nature and scale of the proposed development, it is considered that, subject to compliance with the conditions set out below, the proposed development would be in keeping with the established pattern of development at this location and would not seriously injure the residential or visual amenities of the area or of property in the vicinity. The proposed development would therefore be in accordance with the proper planning and sustainable development the area.

Conditions

1. The development shall be carried out and completed in accordance with the plans and particulars lodged with the application as amended by the further plans and particulars submitted on the 14th day of October 2024, except as may otherwise be required in order to comply with the following conditions. Where such conditions require details to be agreed with the planning authority, the developer shall agree such details in writing with the planning authority prior to commencement of development and the development shall be carried out and completed in accordance with the agreed particulars.

Reason: In the interest of clarity.

2. Development described in Class 1 of Part 1 of Schedule 2 of the Planning and Development Regulations 2001, as amended, or any statutory provision modifying or replacing them, shall not be carried out within the curtilage of the site / within the rear garden areas without a prior grant of planning permission.

Reason: In the interest of residential amenity.

3. Prior to the commencement of development, the developer shall enter into a Connection Agreements with Uisce Éireann (Irish Water) to provide for a service connections to the public water supply and wastewater collection network.

Reason: In the interest of public health and to ensure adequate water/wastewater facilities.

4. Details of the materials, colours and textures of all the external finishes to the proposed dwelling and boundaries shall be as submitted with the application, unless otherwise agreed in writing with, the planning authority prior to commencement of development.

Reason: In the interest of visual amenity.

5. Drainage arrangements including the attenuation and disposal of surface water, shall comply with the requirements of the planning authority for such works and services.

Reason: In the interest of public health and surface water management.

6. The site shall be landscaped (and earthworks carried out) in accordance with a detailed scheme of landscaping, which shall be submitted to and agreed in writing with the Planning Authority prior to commencement of development. The scheme shall include provisions for hard and soft landscaping within the site, boundary treatments and includes measures for the protection of trees within and adjoining the site.

Reason: In order to ensure the satisfactory completion of the development.

7. All service cables associated with the proposed development (such as electrical, telecommunications and communal television) shall be located underground. The cables shall avoid roots of trees and hedgerows to be retained in the site. Ducting shall be provided by the developer to facilitate the provision of broadband infrastructure within the proposed development.

Reason: In the interests of visual and residential amenity.

8. Site development and building works shall be carried out only between the hours of 0700 to 1900 Mondays to Fridays and 0800-1400 Saturdays inclusive, and not at all on Sundays and public holidays. Deviation from these times will only be allowed in exceptional circumstances where prior written approval has been received from the planning authority.

Reason: In order to safeguard the residential amenities of property in the vicinity.

9. A plan containing details for the management of waste within the development, including the provision of facilities for the storage, separation and collection of the waste and, in particular, recyclable materials shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development. Thereafter, the waste shall be managed in accordance with the agreed plan.

Reason: To provide for the appropriate management of waste and, in particular recyclable materials, in the interest of protecting the environment.

10. The developer shall pay to the planning authority a financial contribution in respect of public infrastructure and facilities benefiting development in the area of the planning authority that is provided or intended to be provided by or on behalf of the authority in accordance with the terms of the Development Contribution Scheme made under section 48 of the Planning and Development Act 2000, as amended. The contribution shall be paid prior to commencement of development or in such phased payments as the planning authority may facilitate and shall be subject to any applicable indexation provisions of the Scheme at the time of payment. Details of the application of the terms of the Scheme shall be agreed between the planning authority and the developer or, in default of such agreement, the matter shall be referred to An Bord Pleanála to determine the proper application of the terms of the Scheme.

Reason: It is a requirement of the Planning and Development Act 2000, as amended, that a condition requiring a contribution in accordance with the Development Contribution Scheme made under section 48 of the Act be applied to the permission.
