The submissions on this file and the Inspector's report were considered at a meeting held on 04/07/2025.

The Commission decided to grant permission generally in accordance with the Inspector's recommendation, for the following reasons and considerations, and subject to the following conditions.

Planning

Commissioner:

Eamonn James Kelly

Eamonn James Kelly

Date: 04/07/2025

DRAFT WORDING FOR ORDER

Reasons and Considerations

Having regard to the nature and scale of the proposed development, within the settlement boundary of Macroom Town and on a site with an 'MM-X-01' zoning objective, it is considered that the proposal would be in accordance with the Cork County Development Plan 2022-2028, and subject to compliance with the conditions set out below, the proposed development would not seriously injure the amenities of the area or of property in the vicinity and would, therefore, be in accordance with the proper planning and sustainable development of the area.

Conditions

1.	<p>The development shall be carried out in accordance with the plans and particulars lodged with the application, as amended by the further plans and particulars received by the planning authority on the 31st day of October 2024, except as may otherwise be required in order to comply with the following conditions. Where such conditions require details to be agreed with the planning authority, the developer shall agree such details in writing with the planning authority prior to commencement of development and the development shall be carried out and completed in accordance with the agreed particulars.</p> <p>Reason: In the interest of clarity.</p>
2.	<p>The proposed widening of the access lane serving the site adjacent to R618 as set out in Drawing No. PL17 shall be completed before house construction begins.</p> <p>Reason: In the interest of road safety</p>
3.	<p>Public lighting shall be provided in accordance with a scheme which shall be submitted to, and agreed in writing with the planning authority prior to the commencement of development. Such lighting shall be provided prior to the making available for occupation of any residential unit.</p> <p>Reason: In the interest of amenity and public safety.</p>
4.	<p>Final landscape proposals shall be submitted to the planning authority and written agreement received, prior to the commencement of development. All planting shall be native Irish species of Irish provenance and in consultation with the recommendations from the All Ireland Pollinator Plan, Pollinator Friendly planting Code Guidelines. All landscaping and screening shall be carried out within the first growing season following occupation of the development.</p> <p>Reason: In the interests of orderly development, biodiversity and the proper planning and sustainable development of the area.</p>

5.	<p>Details of the materials, boundary treatments, colours and textures of all the external finishes to the proposed dwellings shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development. Roof colour shall be blue-black, black, dark brown or dark grey in colour only.</p> <p>Reason: In the interest of visual amenity and to ensure an appropriate high standard of development.</p>
6.	<p>The construction of development shall be managed in accordance with a Construction Management Plan, which shall be submitted to, and agreed in writing with, the Planning Authority prior to commencement of development. The plan shall provide details of intended construction practice for the development, including a detailed traffic management plan, hours of working, and noise management measures.</p> <p>Reason: In the interests of public safety and residential amenity</p>
7.	<p>Prior to the commencement of development the developer shall enter into a Connection Agreement (s) with Uisce Éireann (Irish Water) to provide for a service connection(s) to the public water supply and wastewater collection network.</p> <p>Reason: In the interest of public health and to ensure adequate water/wastewater facilities.</p>
8.	<p>All service cables associated with the proposed development (such as electrical, telecommunications and communal television) located outside buildings or not attached to buildings shall be located underground. Ducting shall be provided by the developer to facilitate the provision of broadband infrastructure within the proposed development. Details of the ducting shall be submitted to and agreed in writing by the planning authority prior to the commencement of development.</p> <p>Reason: In the interest of visual amenity.</p>
9.	<p>Site development and building works shall be carried out only between the hours of 0700 and 1900 Mondays to Fridays inclusive, between 0800 to 1400 hours on Saturdays and not at all on Sundays and public holidays. Deviation</p>

	<p>from these times will only be allowed in exceptional circumstances where prior written approval has been received from the planning authority.</p> <p>Reason: In order to safeguard the amenities of properties in the vicinity.</p>
10.	<p>The disposal of surface water shall comply with the requirements of the planning authority for such works and services. Prior to the commencement of development, the developer shall submit details for the disposal of surface water from the site for the written agreement of the planning authority.</p> <p>Reason: To prevent flooding and in the interests of sustainable drainage.</p>
11.	<p>The management and maintenance of the proposed development following its completion shall be the responsibility of a legally constituted management company, or by the local authority in the event of the development being taken in charge. Detailed proposals in this regard shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development.</p> <p>Reason: To ensure the satisfactory completion and maintenance of this development.</p>
12.	<p>(a) Prior to the commencement of the development as permitted, the applicant or any person with an interest in the land shall enter into an agreement with the planning authority (such agreement must specify the number and location of each house or duplex unit), pursuant to Section 47 of the Planning and Development Act 2000, that restricts all relevant residential units permitted, to first occupation by individual purchasers i.e. those not being a corporate entity, and/or by those eligible for the occupation of social and/or affordable housing, including cost rental housing.</p> <p>(b) An agreement pursuant to Section 47 shall be applicable for the period of duration of the planning permission, except where after not less than two years from the date of completion of each specified housing unit, it is demonstrated to the satisfaction of the planning authority that it has not been possible to transact each of the residential units for use by individual purchasers and/or to those eligible for the occupation of social and/or affordable housing, including cost rental housing.</p>

	<p>(c) The determination of the planning authority as required in (b) shall be subject to receipt by the planning and housing authority of satisfactory documentary evidence from the applicant or any person with an interest in the land regarding the sales and marketing of the specified housing units, in which case the planning authority shall confirm in writing to the applicant or any person with an interest in the land that the Section 47 agreement has been terminated and that the requirement of this planning condition has been discharged in respect of each specified housing unit.</p> <p>Reason: To restrict new housing development to use by persons of a particular class or description in order to ensure an adequate choice and supply of housing, including affordable housing, in the common good.</p>
13.	<p>Prior to commencement of development, the applicant or other person with an interest in the land to which the application relates shall enter into an agreement in writing with the planning authority in relation to the provision of housing in accordance with the requirements of section 94(4) and section 96(2) and (3) (Part V) of the Planning and Development Act 2000, as amended, unless an exemption certificate shall have been applied for and been granted under section 97 of the Act, as amended. Where such an agreement is not reached within eight weeks from the date of this order, the matter in dispute (other than a matter to which section 96(7) applies) may be referred by the planning authority or any other prospective party to the agreement to An Bord Pleanála for determination.</p> <p>Reason: To comply with the requirements of Part V of the Planning and Development Act 2000, as amended, and of the housing strategy in the development plan of the area.</p>
14.	<p>Proposals for an estate/street name, house numbering scheme and associated signage shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development. Thereafter, all estate and street signs, and house/apartment numbers, shall be provided in accordance with the agreed scheme. The proposed name(s) shall be based on local historical or topographical features, or other alternatives acceptable</p>

	<p>to the planning authority. No advertisements/marketing signage relating to the name(s) of the development shall be erected until the developer has obtained the planning authority's written agreement to the proposed name(s).</p> <p>Reason: In the interest of urban legibility.</p>
15.	<p>Prior to the commencement of development, the developer shall lodge with the planning authority a cash deposit, a bond of an insurance company, or other security to secure the provision and satisfactory completion of streets, footpaths, watermains, drains, open space and other services required in connection with the development, coupled with an agreement empowering the planning authority to apply such security or part therefore to the satisfactory completion of any part of the development. The form and amount of security shall be as agreed between the planning authority and the developer, or in default of an agreement shall be determined by An Bord Pleanála.</p> <p>Reason: To ensure the satisfactory completion of the development.</p>
16.	<p>The developer shall pay to the planning authority a financial contribution in respect of public infrastructure and facilities benefiting development in the area of the planning authority that is provided or intended to be provided by or on behalf of the authority in accordance with the terms of the Development Contribution Scheme made under section 48 of the Planning and Development Act 2000, as amended. The contribution shall be paid prior to commencement of development or in such phased payments as the planning authority may facilitate and shall be subject to any applicable indexation provisions of the Scheme at the time of payment. Details of the application of the terms of the Scheme shall be agreed between the planning authority and the developer or, in default of such agreement, the matter shall be referred to An Bord Pleanála to determine the proper application of the terms of the Scheme.</p> <p>Reason: It is a requirement of the Planning and Development Act 2000, as amended, that a condition requiring a contribution in accordance with the</p>

	Development Contribution Scheme made under section 48 of the Act be applied to the permission.
