The Inspector's report and file documentation was considered at a Commission meeting held on the 17/10/2025. The Commission generally agreed with the Inspector's recommendation.

The Commission decided that the prospective applicant should be informed that the proposed development, comprising the development of no. 7 wind turbines with a total output of 46.9 MW (megawatts) as set out in the plans and particulars received by An Coimisiun Pleanála on the 6th day of October 2025 **does not** meet a threshold set out in the Seventh Schedule of the *Planning and Development Act 2000, as amended*, and therefore **does not** come under Section 37A (1) of the *Planning and Development Act, 2000, as amended*, for consideration. A planning application should be made in the first instance to Leitrim County Council.
