The submissions on file and the inspector's report were considered at a Board Meeting held on the 14/02/2025.

The Board decided the prospective applicant, EirGrid, be informed that the proposed replacement of existing 220kV underground cables in the vicinity of Poolbeg 220kV substation does not fall within the scope of section 182A of the Planning and Development Act 2000, as amended, and that a planning application should be made in the first instance to Dublin City Council.
