The submissions on this file and the Inspector's report were considered at a Board meeting held on 09/05/2025.

The Board decided not to allow the appeal for the following reasons and considerations.

### **Reasons and Considerations**

Having regard to the nature and extent of the proposed development for which a street licence is sought, to the location of the site on New Street, in the commercial centre of Malahide and the objectives for the area as set out in the Fingal Development Plan 2023-2029, it is considered that, subject to compliance with the conditions set out below, the temporary use of the street as an outdoor seating / serving area for Fowlers Public House would not seriously injure the amenities of the area, including the amenities of residential properties, would not have an adverse effect on the character and setting of the designated Architectural Conservation Area and would not be prejudicial to public safety by reason of traffic hazard. The proposed development would, therefore, be in accordance with the proper planning and sustainable development of the area.

### **Conditions**

1. The development shall be carried out and completed in accordance with the plans and particulars lodged with the application, except as may otherwise be required in order to comply with the following conditions. Where such

conditions require details to be agreed with the planning authority, the developer shall agree such details in writing with the planning authority prior to commencement of development and the development shall be carried out and completed in accordance with the agreed particulars.

**Reason:** In the interest of clarity.

2. The street furniture may be placed on the eastern side of New Street in accordance with Drawing No. 2050-DLA-XX-GF-DR 003 Rev 1 in an area measuring 53 square metres (16.86m length x 3.1m width). **Reason:** In the interest of public safety.

3. The street furniture shall only be placed at the above location between 0900 hours and 2200 hours. All items covered under this license, under the control of the applicants shall be removed outside of these hours and stored within the building.

**Reason:** In the interest of the amenities of the area and to facilitate street cleaning.

4. The street furniture shall be maintained in a safe, clean and tidy condition and adequate waste management facilities shall be maintained at the site by the applicant.

**Reason:** In the interest of the visual amenities of the area.

5. No outside amplification speakers / live entertainment shall be permitted without prior written consent from the planning authority and no speaker or amplifier within these premises shall be configured in such a manner so as to project sound onto the public footway.

**Reason:** In the interest of the amenities of the area.

6. All appropriate public liability insurances shall be in place for the duration of this licence.

**Reason:** In the interest of public safety.

7. The license permitted by this order shall expire on the 31<sup>st</sup> day of December 2025.
