DRAFT WORDING FOR ORDER

Reasons and Considerations

Having regard to the residential zoning objective, the pattern of development in the area, which is characterised by semi-detached suburban houses with front and rear gardens, and the policy framework provided by the Dun Laoghaire-Rathdown County Development Plan 2022-2028 for domestic extensions, it is considered that, subject to compliance with the conditions set out below, the proposed development would not have a significant negative impact on the visual and residential amenities of the adjoining property at 14 Kingston Walk, would be in accordance with Section 12.3.7.1 (ii) (Extensions to the Rear) of the Dun Laoghaire-Rathdown County

Development Plan 2022-2028, and would, therefore, be in accordance with the proper planning and sustainable development of the area.

The proposed development shall be carried out and completed in accordance with the plans and particulars lodged with the application, as amended by the further plans and particulars received by the planning authority on the 4th day of February, 2025, except as may otherwise be required in order to comply with the following conditions. Where such conditions require details to be agreed with the planning authority, the developer shall agree such details in writing with the planning authority prior to commencement of development and the proposed development shall be carried out and completed in accordance with the agreed particulars.

The contribution shall be paid prior to the commencement of development or in such phased payments as the planning authority may facilitate and shall be subject to any applicable indexation provisions of the Scheme at the time of payment. Details of the application of

the terms of the Scheme shall be agreed between the planning authority and the developer or, in default of such agreement, the matter shall be referred to the Board to determine the proper application of the terms of the Scheme.
