Re: Amending Commission Order
S146A of the Planning and Development Act, 2000, as amended

The submissions on this file were considered at a meeting held on 23/06/2026.

The Commission decided that a clerical error had occurred in the development description section of the Order in that the description used for the development referred to an associated development which also concerned the Kilfenora wastewater treatment plant (reference ABP-322234-25).

The Commission therefore decided to exercise its powers under section 146A(1) of the Planning and Development Act 2000, as amended, to amend its Order of so that the above-mentioned decision so that the development description of the Order correctly state:

Proposed Development: The proposed development will consist of alterations to the Kilfenora wastewater treatment plant and percolation area development approved by An Bord Pleanála under reference ABP-305756-19, and consists of: (1) modifications to site access and internal roads at the wastewater treatment plant to include (a) raising of access road level from the public road (L1034) to the site entrance gates, to include provision of permeable paving finish, and (b) widening/reconfiguration of internal road in focused areas, permeable paving finish, hard surface area and gully, and provision of petrol

interceptor; (2) modifications to site access and internal road at the percolation area to include new roadside channel drain and provision of permeable paving finish; (3) all ancillary site development and excavation works above and below ground necessary to facilitate the development at Killcarragh and Ballybreen (Townlands), Kilfenora, County Clare.

The Commission considered that the correction of the above-mentioned matter would not result in a material alteration of the terms of the permission and having regard to the issues involved, the Commission decided not to invite submissions in relation to the matter from persons who had made submissions or observations in relation to the appeal the subject of this amendment:
