DRAFT WORDING FOR ORDER

The Commission was satisfied that it was appropriate to attach a condition requiring a bond as the Commission noted a clerical error had occurred whereby the condition had been omitted from the original Commission Order.

The Commission decided to exercise its powers under section 146A(1)(b) of the Planning and Development Act 2000, as amended, to amend its Order of ABP-322032-25 dated 28th day of November 2025 by attaching a Bond condition.

Having regard to the nature of the condition, the Commission was satisfied that the amendment of the Commission Order would not result in a material alteration of the terms of the development, the subject of the permission or decision.
