DRAFT WORDING FOR ORDER

Reasons and Considerations

Having regard to the zoning of the site, 'TC – Town and District Centre' with the objective to provide and enhance the special physical and social character of town and district centres and provide and/or improve urban facilities, to the planning history of the site, to the planning policies, objectives and development standards of the Fingal Development Plan 2023-2029 and specifically to Table 14.24 (Direction for Proposed Development within Architectural Conservation Areas), and to the nature, scale and design of the proposed development relative to the existing pattern and character of development in the Lusk Architectural Conservation Area, it is considered that subject

to compliance with the conditions set out below, the proposed development would be an acceptable form of development at this in-fill location and would not seriously injure the architectural or vernacular character of the area.

Furthermore, the proposed development would not give rise to a traffic hazard, would not seriously injure the character of the area or the amenities of property in the vicinity and would provide an adequate standard of residential amenity to future occupiers. The proposed development would, therefore, be in accordance with the proper planning and sustainable development of the area.

Conditions

1. The development shall be carried out and completed in accordance with the plans and particulars lodged with the application, as amended by the further information received by the planning authority on the 11th June 2025, except as may otherwise be required in order to comply with the following conditions.
Where such conditions require details to be agreed with the planning authority, the developer shall agree such details in writing with the planning authority prior to commencement of development and the development shall be carried out and completed in accordance with the agreed particulars.

Reason: In the interest of clarity.

2. Details of the materials, colours and textures of all the external finishes to the proposed dwellings shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development.

Reason: In the interest of the visual amenities of the area.

3. Insert model condition requiring a landscape plan and implementation of same.

4. Drainage arrangements, including the attenuation and disposal of surface water, shall comply with the requirements of the planning authority for such works and services.

Reason: In the interest of public health and surface water management.

5. Insert condition - All requirements of the local planning authority shall be complied with in full in relation to roads and traffic (in the interest of amenity and of traffic and pedestrian safety).
6. Public lighting shall be provided in accordance with a scheme which shall be submitted to and agreed in writing with the planning authority prior to the commencement of development. The scheme shall include lighting along pedestrian routes through open spaces. Such lighting shall be provided prior to the making available for occupation of any residential unit.

Reason: In the interest of amenity and public safety.

7. Prior to the commencement of development, the developer shall enter into a connection agreement(s) with Uisce Éireann to provide for a service connection(s) to the public water supply and/or wastewater collection network.

Reason: In the interest of public health and to ensure adequate water/wastewater facilities.

8. The management and maintenance of the proposed development following its completion shall be the responsibility of a legally constituted management company, or by the planning authority in the event of the development being taken in charge. Detailed proposals in this regard shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development.

Reason: To ensure the satisfactory completion and maintenance of this development.

9. Site development and building works shall be carried out only between the hours of 0700 to 1900 Mondays to Fridays inclusive, between 0800 to 1400 hours on Saturdays and not at all on Sundays and public.holidays Deviation from these times will only be allowed in exceptional circumstances where prior written approval has been received from the planning authority.

Reason: To safeguard the amenity of property in the vicinity.

10. Insert CEMP condition (short version)
11. All service cables associated with the proposed development (such as electrical, telecommunications and communal television) shall be located underground. Ducting shall be provided by the developer to facilitate the provision of broadband infrastructure within the proposed development.

Reason: In the interest of visual amenity.

12. The developer shall pay to the planning authority a financial contribution in respect of public infrastructure and facilities benefiting development in the area of the planning authority that is provided or intended to be provided by or on behalf of the authority in accordance with the terms of the Development Contribution Scheme made under section 48 of the Planning and Development Act 2000, as amended. The contribution shall be paid prior to commencement of development or in such phased payments as the planning authority may facilitate and shall be subject to any applicable indexation provisions of the Scheme at the time of payment. Details of the application of the terms of the Scheme shall be agreed between the planning authority and the developer or, in default of such agreement, the matter shall be referred to An Coimisiún Pleanála to determine the proper application of the terms of the Scheme.

Reason: It is a requirement of the Planning and Development Act 2000, as amended, that a condition requiring a contribution in accordance with the Development Contribution Scheme made under section 48 of the Act be applied to the permission.

13. The developer shall pay to the planning authority a financial contribution in lieu of the identified shortfall of circa 263 square metres in the public open space requirement and in respect of public open space benefitting the development in the area of the planning authority is provided or intended to be provided by or on behalf of the authority in accordance with the terms of the adopted Development Contribution Scheme made under Section 48 of the Planning and Development Act 2000, as amended. The contribution shall be paid prior to the commencement of development or in such phased payments as the planning authority may facilitate and shall be subject to any indexation provisions of the Scheme at the time of payment.

Reason: It is a requirement of the Planning and Development Act 2000, as amended, that a condition requiring a contribution in accordance with the Development Contribution Scheme made under Section 48 of the Act be applied to the permission.

14. Prior to commencement of development, the developer shall lodge with the planning authority a cash deposit, a bond of an insurance company, or other security to secure the provision and satisfactory completion and maintenance until taken in charge by the local authority of roads, footpaths, watermains, drains, public open space and other services required in connection with the development, coupled with an agreement empowering the local authority to apply such security or part thereof to the satisfactory completion or maintenance of any part of the development. The form and amount of the security shall be as agreed between the planning authority and the developer or, in default of agreement, shall be referred to An Coimisiún Pleanála for determination.

Reason: To ensure the satisfactory completion and maintenance of the development until taken in charge.
