DRAFT WORDING FOR ORDER

Reasons and Considerations

Having regard to the nature of the change of use proposed for retention, it is considered that the development proposed to be retained would be contrary to Section 15.14.3 (Short Term Tourist Rental Accommodation) of the Dublin City Development Plan 2022-2028, which states that there is a general presumption against the provision of dedicated short term tourist rental accommodation in the city due to the impact on the availability of housing stock. The development proposed to be retained would, therefore, be contrary to the proper planning and sustainable development at this location.
