Subsequent to the Commission's meetings held on 28/09/2026 and 06/10/2026, when the submissions on this file and the Inspector's report were considered and the Commission decided to refuse permission, generally in accordance with the Inspector's recommendation, but prior to the issuing of the Commission's Order, the Commission was advised of an administrative error in the Schedule of Costs, which had been included in the Order as Appendix 1.

The Commission reconvened on 15/10/2026 to review the amended Schedule of Costs, which they approved for attachment to the Order, to recoup €40,701 from the applicant.
