The submissions on this file and the Inspector's report were considered at a meeting held on 1/10/2026.

The Commission determined that the prospective applicant be informed that the proposed development of a 110kV Loop-in substation, grid connection and ancillary development at Grangegorman Campus, Dublin 7 falls within the scope of section 182A of the Planning and Development Act 2000, as amended, and that a planning application should therefore be made directly to the Commission.
