The submissions on this file and the Inspector's report were considered at a meeting held on 19/08/2026.

The Commission decided, as recommended by the Inspector, that the prospective applicant, EirGrid plc., be informed that:

The proposed development of a 110kV busbar and new 110/38kV transformer at the existing Barrymore substation with associated extension to the existing hardstanding area and extension of the fence line boundary to the west, east, and south of the existing substation at Kill-Saint-Anne North, Co. Cork does not fall within the scope of section 182A of the Planning and Development Act 2000, as amended, and that a planning application should be made in the first instance to Cork County Council.
