The submissions on file and the inspector's report were considered at a meeting held on 21/09/2026.

The Commission determined that the prospective applicant be informed that the proposed development of the Courtlough 110kV/38kV/MV distribution substation and associated infrastructure in the townland of Hedgestown, County Dublin falls within the scope of section 182A of the Planning and Development Act 2000, as amended, and that a planning application should therefore be made directly to the Commission.

A list of prescribed bodies is set out in Appendix A of the Inspectors report.
