The submissions on this file and the Inspector's report were considered at a meeting held on 02 March 2026.

The Commission decided to refuse permission generally in accordance with the Inspector's recommendation and for the Reasons and Considerations set out below.

Planning Commissioner:

Marie O'Connor

Date:

2nd day of March 2026

Reasons and Considerations

The proposed development which seeks to construct an agricultural entrance onto the R448 on lands which are presently served by three number existing entrances, would lead to proliferation of entrances at this location, notwithstanding the proposal to close one of the existing entrances. The proposed development would conflict with Policy TM P6 as set out in the Kildare County Development Plan 2023-2029, would interfere with the safety and free flow of traffic, would endanger

public safety by reason of traffic hazard and would, therefore, be contrary to the proper planning and sustainable development of the area.
