**Commission Direction**  
**CD-000231**  
**PL-500213-DS-25**

The submissions on this file and the Inspector's report were considered at a meeting held on 09 March 2026.

The Commission decided to grant permission generally in accordance with the Inspector's recommendation, for the following reasons and considerations, and subject to the following conditions.

**Planning Commissioner:**

---

**Emer Maughan**

**Date:**

**9<sup>th</sup> day of March 2026**

### **DRAFT WORDING FOR ORDER**

### **Reasons and Considerations**

Having regard to the Z1 Sustainable Residential Neighbourhoods zoning objective, the pattern of development in the area, and the provisions of Appendix

18 of Volume 2 of the Dublin City Development Plan 2022-2028 (as varied), it is considered that, subject to compliance with the conditions below, the proposed development would not seriously injure the residential and visual amenities of property in the vicinity, and is, therefore, in the interests of the proper planning and sustainable development of the area.

## Conditions

1. The development shall be carried out and completed in accordance with the plans and particulars lodged with the application as amended by the further plans and particulars received by the planning authority on the 12<sup>th</sup> September, 2025, except as may otherwise be required in order to comply with the following conditions. Where such conditions require details to be agreed with the planning authority, the developer shall agree such details in writing with the planning authority and the development shall be retained, carried out and completed in accordance with the agreed particulars

**Reason:** In the interest of clarity.

2. The flat roofed areas shall not be used or accessed as a roof garden, roof terrace or balcony.

**Reason:** In the interests of residential amenity.

3. Details of the materials, colours and textures of all the external finishes to the proposed development shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development.

**Reason:** in the interest of visual amenity and to ensure an appropriate high standard of development.

4. Drainage arrangements including the attenuation and disposal of surface water, shall comply with the requirements of the planning authority for such works and services.

**Reason:** in the interests of public health and surface water management

5. Site development and building works shall be carried out between the hours of 0800 to 1800 Mondays to Fridays inclusive, between 0800 to 1400 on Saturdays and not at all on Sundays and public holidays. Deviation from these times shall only be allowed in exceptional circumstances where prior written agreement has been received from the planning authority.

**Reason:** To safeguard the amenity of property in the vicinity.

6. The developer shall pay to the planning authority a financial contribution in respect of public infrastructure and facilities benefiting development in the area of the planning authority that is provided or intended to be provided by or on behalf of the authority in accordance with the terms of the Development Contribution Scheme made under section 48 of the Planning and Development Act 2000, as amended. The contribution shall be paid prior to commencement of development or in such phased payments as the planning authority may facilitate and shall be subject to any applicable indexation provisions of the Scheme at the time of payment. Details of the application of the terms of the Scheme shall be agreed between the planning authority and the developer or, in

default of such agreement, the matter shall be referred to An Bord Pleanála to determine the proper application of the terms of the Scheme.

**Reason:** It is a requirement of the Planning and Development Act 2000, as amended, that a condition requiring a contribution in accordance with the Development Contribution Scheme made under section 48 of the Act be applied to the permission.
