## **Draft Order**

### **Reasons and Considerations**

Having regard to location of the site within the town of Arklow, the provisions of the Wicklow County Development Plan 2022-2028 (as varied), to the infill nature and associated policy encouraging appropriate infill development including the Sustainable Residential Development and Compact Settlements Guidelines for

Planning Authorities issued by the Department of Housing, Local Government in January, 2024, to the height, scale, layout and form of the development, to the proposed mitigation measures in relation to residential amenity including boundary planting and trees, and to the nature and scale of the proposed development with no significant traffic congestion or traffic safety issues likely to result, it is considered that, subject to compliance with the conditions set out below, the proposed development would not seriously injure the residential amenities of the area and would be acceptable in terms of traffic safety and convenience. The proposed development would, therefore, be in accordance with the proper planning and sustainable development of the area.

### **Conditions**

1. The development shall be carried out and completed in accordance with the plans and particulars lodged with the application, as amended by the further plans and particulars received by the planning authority on the 14<sup>th</sup> day of November, 2025 except as may otherwise be required in order to comply with the following conditions. Where such conditions require details to be agreed with the planning authority, the developer shall agree such details in writing with the planning authority prior to commencement of development and the development shall be carried out and completed in accordance with the agreed particulars.

**Reason:** in the interest of clarity.

2. The layout of new vehicular entrance off Sea Road shall be as indicated in the plans and particulars lodged with the application and shall include for the demolition and relocation of the boundary wall to the vehicular entrance to the adjacent residential development to the north, 'Merton', as indicated in the said plans and particulars. No works shall commence on any of the proposed

dwellings prior to the construction and commissioning of the new vehicular entrance which shall be to the written satisfaction of the planning authority.

**Reason:** In the interest of clarity and traffic safety.

3. (a) The boundary treatment, including tree planting, along the southern site boundary adjacent the existing dwelling on the lands adjoining the application site shall be as indicated in the plans and particulars received by the planning authority on the 14<sup>th</sup> day of November, 2025. The trees shall be of a semi-mature state and this boundary treatment shall be completed prior to the occupation of any of the proposed dwellings.

(b) Subject to compliance with (a) above, the landscaping scheme as indicated in the plans and particulars received by the planning authority on the 14<sup>th</sup> day of November 2025 shall be carried out within the first planting season following substantial completion of external construction works. All planting shall be adequately protected from damage until established. Any plants which die, are removed or become seriously damaged or diseased, within a period of five years from the completion of the development or until the development is taken in charge by the local authority, whichever is the sooner, shall be replaced within the next planting season with others of similar size and species, unless otherwise agreed in writing with the planning authority.

**Reason:** To protect the residential amenity of the existing dwelling to the south and in the interests of visual amenity.

4. Details of the materials, colours and textures of all the external finishes to the proposed dwellings and buildings shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development.

**Reason:** in the interest of visual amenity.

5. Prior to the commencement of development, the developer shall enter into a connection agreements with Uisce Eireann (Irish Water) to provide for a service connections to the public water supply and wastewater collection network.

**Reason:** in the interest of public health and to ensure adequate water and wastewater facilities.

6. The disposal of surface water shall comply with the requirements of the planning authority for such works and services. Prior to the commencement of development, the developer shall submit details for the disposal of surface water from the site for the written agreement of the planning authority.

**Reason:** To prevent flooding and in the interest of sustainable drainage.

7. All service cables associated with the proposed development (such as electrical, telecommunications and communal television) shall be located underground. Ducting shall be provided by the developer to facilitate the provision of broadband infrastructure within the proposed development.

**Reason:** in the interests of visual and residential amenity.

8. All of the in-curtilage car parking spaces serving the residential units shall be provided with electric connections to the exterior of the houses to allow for the provision of future electric vehicle charging points. Details of how it is proposed to comply with these requirements shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development.

**Reason:** in the interest of sustainable transportation.

9. Public lighting shall be provided in accordance with a scheme which shall be submitted to, and agreed in writing with, the planning authority prior to the commencement of development. Such lighting shall be provided prior to the making available for occupation of any residential unit

**Reason:** in the interests of amenity and public safety.

10. The construction of the development shall be managed in accordance with a Construction Management Plan, which shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development. This plan shall provide details of intended construction practice for the development, including noise management measures and off-site disposal of construction/ demolition waste.

**Reason:** In the interests of public safety and residential amenity.

11. Site development and building works shall be carried out only between the hours of 0700 to 1900 Mondays to Fridays inclusive, between 0800 to 1400 hours on Saturdays and not at all on Sundays and public holidays. Deviations from these times will only be allowed in exceptional circumstances where prior written approval has been received from the planning authority.

**Reason:** In order to safeguard the residential amenities of property in the vicinity.

12. The management and maintenance of the proposed development following its completion shall be the responsibility of a legally constituted management company, or by the local authority in the event of the development being taken in charge. Detailed proposals in this regard shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development.

**Reason:** To ensure the satisfactory completion and maintenance of this development.

13. The development hereby permitted shall be carried out and completed at least to the construction standards set out in the planning authority's Taking in

Charge Standards. Following completion, the development shall be maintained by the developer, in compliance with these standards, until taken in charge by the planning authority.

**Reason:** To ensure that the development is carried out and completed to an acceptable standard of construction.

14. A plan containing details for the management of waste and, in particular, recyclable materials within the development, including the provision of facilities for storage, separation and collection of waste and, in particular, recyclable materials and for the ongoing operation of these facilities within each house plot shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development. Thereafter, the waste shall be managed in accordance with the agreed plan.

**Reason:** To provide for the appropriate management of waste and, in particular recyclable materials, in the interest of protecting the environment.

15. Proposals for an estate/street name, house numbering scheme and associated signage shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development. The proposed name shall be based on local historical or topographical features, or other alternatives acceptable to the planning authority.

**Reason:** in the interest of urban legibility and to ensure the use of locally appropriate place names for new residential areas.

16. Prior to commencement of development, the applicant or other person with an interest in the land to which the application relates shall enter into an agreement in writing with the planning authority [in relation to the transfer of a percentage of the land, to be agreed with the planning authority, in accordance

with the requirements of section 94(4) and section 96(2) and 96(3)(a), (Part V) of the Planning and Development Act 2000, as amended, and/or the provision of housing on lands in accordance with the requirements of section 94(4) and section 96(2) and 96(3) (b), (Part V) of the Planning and Development Act 2000, as amended], unless an exemption certificate has been granted under section 97 of the Act, as amended. Where such an agreement cannot be reached between the parties, the matter in dispute (other than a matter to which section 96(7) applies) shall be referred by the planning authority or any other prospective party to the agreement, to An Coimisiún Pleanála for determination.

**Reason:** To comply with the requirements of Part V of the Planning and Development Act 2000, as amended, and of the housing strategy in the development plan for the area.

17. (a) Prior to the commencement of the development as permitted, the applicant or any person with an interest in the land shall enter into an agreement with the planning authority (such agreement must specify the number and location of each house), pursuant to Section 47 of the Planning and Development Act 2000, that restricts all relevant residential units permitted, to first occupation by individual purchasers i.e. those not being a corporate entity, and/or by those eligible for the occupation of social and/or affordable housing, including cost rental housing.

(b) An agreement pursuant to Section 47 shall be applicable for the period of duration of the planning permission, except where after not less than two years from the date of completion of each specified housing unit, it is demonstrated to the satisfaction of the planning authority that it has not been possible to transact each of the residential units for use by individual purchasers and/or to those

eligible for the occupation of social and/or affordable housing, including cost rental housing.

(c) The determination of the planning authority as required in (b) shall be subject to receipt by the planning and housing authority of satisfactory documentary evidence from the applicant or any person with an interest in the land regarding the sales and marketing of the specified housing units, in which case the planning authority shall confirm in writing to the applicant or any person with an interest in the land that the Section 47 agreement has been terminated and that the requirement of this planning condition has been discharged in respect of each specified housing unit.

**Reason:** To restrict new housing development to use by persons of a particular class or description in order to ensure an adequate choice and supply of housing, including affordable housing, in the common good.

18. Prior to the commencement of development, the developer or any agent acting on its behalf, shall prepare a Resource Waste Management Plan (RWMP) as set out in the EPA's Best Practice Guidelines for the Preparation of Resource and Waste Management Plans for Construction and Demolition Projects (2021) including demonstration of proposals to adhere to best practice and protocols. The RWMP shall include specific proposals as to how the RWMP will be measured and monitored for effectiveness; these details shall be placed on the file and retained as part of the public record. The RWMP must be submitted to the planning authority for written agreement prior to the commencement of development. All records (including for waste and all resources) pursuant to the agreed RWMP shall be made available for inspection at the site office at all times.

**Reason:** In the interest of proper planning and sustainable development.

19. Prior to commencement of development, the developer shall lodge with the planning authority a cash deposit, a bond of an insurance company, or other security to secure the provision and satisfactory completion and maintenance until taken in charge by the local authority of roads, footpaths, watermains, drains, public open space and other services required in connection with the development, coupled with an agreement empowering the local authority to apply such security or part thereof to the satisfactory completion or maintenance of any part of the development. The form and amount of the security shall be as agreed between the planning authority and the developer or, in default of agreement, shall be referred to An Coimisiún Pleanála for determination.

**Reason:** To ensure the satisfactory completion and maintenance of the development until taken in charge.

20. The developer shall pay to the planning authority a financial contribution in respect of public infrastructure and facilities benefiting development in the area of the planning authority that is provided or intended to be provided by or on behalf of the authority in accordance with the terms of the Development Contribution Scheme made under section 48 of the Planning and Development Act 2000, as amended. The contribution shall be paid prior to commencement of development or in such phased payments as the planning authority may facilitate and shall be subject to any applicable indexation provisions of the Scheme at the time of payment. Details of the application of the terms of the Scheme shall be agreed between the planning authority and the developer, or, in default of such agreement, the matter shall be referred to An Coimisiún Pleanála to determine the proper application of the terms of the Scheme.

**Reason:** it is a requirement of the Planning and Development Act 2000, as amended, that a condition requiring a contribution in accordance with the Development Contribution Scheme made under section 48 of the Act be applied to the permission.
