Subsequent to the Commission's meeting of the 28 April 2026 (but before the Order was sealed), the lead Commissioner became aware of a matter of an administrative nature that was not considered at the meeting but warranted consideration. Specifically, the planning authority's response to the grounds of appeal received by ACP on the 9 March 2026 was omitted in error from the case file and was not considered at the meeting of the 28 April 2026. The lead Commissioner therefore decided to reconvene the original quorum to consider the matter pursuant to paragraph 4.6.4 of the 'Decision-Making Procedures – November 2025'. The reconvened meeting was held on the 06 May 2026.

Having reconsidered the appeal, including the planning authority's response to the grounds of appeal, the Commission decided to reaffirm its decision of the 28 April 2026.
