The submissions on this file and the Inspector's report were considered at a meeting held on 20th July 2026.

The Commission decided to grant permission generally in accordance with the Inspector's recommendation, for the following reasons and considerations, and subject to the following conditions.

Planning Commissioner:

Emer Maughan

Date:

20th day of July 2026

DRAFT WORDING FOR ORDER

Reasons and Considerations

Having regard to information submitted by the applicant and the nature and scale of the proposed development and the availability of service connections to the public sewer and public watermain to serve the proposed development,

it is considered that, subject to compliance with the conditions set out below, the proposed development would be in accordance with rural housing policy as set out under Chapter 2 and SSP 27 of Offaly County Development Plan 2022-2028. The overall design, scale and siting of the proposed dwelling have adequate regard to its location within the rural area, would be satisfactory in the context of Development Plan policy and would be in accordance with 'Designing Houses, Creating Homes - A Guide for Applicants on the siting and design of new houses in the Offaly countryside'. The proposal would be in accordance with the amenities of adjoining properties, would be acceptable in terms of traffic safety and public health and would, therefore, be in accordance with the proper planning and sustainable development of the area.

Conditions

1. The development shall be carried out and completed in accordance with the plans and particulars lodged with the application, as amended by the further plans and particulars received by the planning authority on the 1st day of February 2026, except as may otherwise be required in order to comply with the following conditions. Where such conditions require details to be agreed with the planning authority, the developer shall agree such details in writing with the planning authority prior to commencement of development and the development shall be carried out and completed in accordance with the agreed particulars.

Reason: In the interest of clarity.

2. Details of the materials, colours and textures of all the external finishes to the proposed dwelling and garage shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development.

Reason: In the interest of visual amenity and to ensure an appropriate high standard of development.

3. (a) The proposed dwelling, when completed, shall be first occupied as a place of permanent residence by the applicant, members of the applicant's immediate family or their heirs, and shall remain so occupied for a period of at least seven years thereafter unless consent is granted by the planning authority for its occupation by other persons who belong to the same category of housing need as the applicant. Prior to commencement of development, the applicant shall enter into a written agreement with the planning authority under section 47 of the Planning and Development Act, 2000 to this effect.

(b) Within two months of the occupation of the proposed dwelling, the applicant shall submit to the planning authority a written statement of confirmation of the first occupation of the dwelling in accordance with paragraph (a) and the date of such occupation.

This condition shall not affect the sale of the dwelling by a mortgagee in possession or the occupation of the dwelling by any person deriving title from such a sale.

Reason: To ensure that the proposed house is used to meet the applicant's stated housing needs and that development in this rural area is appropriately restricted to meeting essential local need in the interest of the proper planning and sustainable development of the area.

4 (a) Prior to the commencement of development the developer shall enter into Connection Agreements with Uisce Éireann to provide for service connections to the public water supply and/or wastewater collection network.

Reason: In the interest of public health and to ensure adequate water/wastewater facilities.

5. Drainage arrangements, including the attenuation and disposal of surface water, shall comply with the requirements of the planning authority, in writing where necessary, for such works and services.

Reason: In the interest of public health and surface water management.

6. The proposed garage shall be ancillary to the enjoyment of the existing dwelling and shall not be used for any commercial purposes or as an independent dwelling unit.

Reason: In the interest of orderly development.

7. The front boundary wall shall consist of natural local stone or capped and rendered blockwork wall, the exact height and location of which shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development.

Reason: In the interest of visual amenity

8. The site shall be landscaped in accordance with a comprehensive scheme of landscaping, details of which shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development. This scheme shall include the following:

(a) A plan to scale of not less than 1:500 showing –

(i) Existing trees and hedgerows, specifying which are proposed for retention as features of the site landscaping

(ii) The measures to be put in place for the protection of these landscape features during the construction period

(iii) The species, variety, number, size and locations of all proposed trees and shrubs which shall comprise predominantly native species such as mountain ash, birch, willow, sycamore, pine, oak, hawthorn, holly, hazel, beech or alder and which shall not include prunus species

(iv) Details of roadside planting, which shall not include prunus species

(b) A timescale for implementation

All planting shall be adequately protected from damage until established. Any plants which die, are removed or become seriously damaged or diseased, within a period of five years from the completion of the development, shall be replaced within the next planting season with others of similar size and species, unless otherwise agreed in writing with the planning authority.

Reason: In the interest of residential and visual amenity.

9. Site development and building works shall be carried out only between the hours of 0700 to 1900 Mondays to Friday inclusive, between 0800 to 1400 hours on Saturdays and not at all on Sundays and public holidays. Deviation from these times will only be allowed in exceptional circumstances where prior written approval has been received from the planning authority.

Reason: In order to safeguard the residential amenities of property in the vicinity.

10. The developer shall pay to the planning authority a financial contribution in respect of public infrastructure and facilities benefiting development in the area of

the planning authority that is provided or intended to be provided by or on behalf of the authority in accordance with the terms of the Development Contribution Scheme made under section 48 of the Planning and Development Act 2000, as amended. The contribution shall be paid prior to commencement of development or in such phased payments as the planning authority may facilitate and shall be subject to any applicable indexation provisions of the Scheme at the time of payment. Details of the application of the terms of the Scheme shall be agreed between the planning authority and the developer or, in default of such agreement, the matter shall be referred to An Coimisiún Pleanála to determine the proper application of the terms of the Scheme.

Reason: It is a requirement of the Planning and Development Act 2000, as amended, that a condition requiring a contribution in accordance with the Development Contribution Scheme made under section 48 of the Act be applied to the permission.
