DRAFT WORDING FOR ORDER

Reasons and Considerations

The proposed development would add to the number of access points on to the R392 Lanesborough to Mullingar route. Based on the information submitted, it is considered that the applicant has not justified the need for a new vehicular entrance at this location. The proposed development would,

therefore, conflict with County Policy Objective 5.19 and Development Management Standard 16.119 of the Longford County Development Plan 2021-2027 and would be contrary to the proper planning and sustainable development of the area.
