**Date:** 23<sup>rd</sup> October 2017

---

Dear Kieran,

I have examined the further response received from the applicant in this case (submission from Indaver Ireland Ltd. received by ABP on October 2<sup>nd</sup> 2017), and have also discussed the case with the Chairperson.

I do not consider that further cross-circulation of documents is necessary at this stage. It would be useful for the Board to have a summary of the responses received since the further information request by ABP (following from the Board Direction dated March 10<sup>th</sup> 2017).

Please forward the file to the reporting inspector for the following:

- Re-cap on the issues raised by ABP (ABP letter of March 2017)
- Summary of the response by the applicant Indaver (received by ABP on May 15<sup>th</sup> 2017)
- Summary of the responses received from the Observers on foot of re-advertisement (that is, submissions received by ABP by 21<sup>st</sup> July 2017)
- Summary of the responding submission from Indaver (received by ABP on 2<sup>nd</sup> October 2017)

At this point a further assessment and recommendation by the Inspector is not considered necessary.

Please revert to the undersigned if you have any queries.

Conall Boland
