Board Direction

Ref: 17.PC0223

At a meeting held on 8th November 2017, the Board considered the report of the inspector (dated 12th April 2017) and her addendum report (dated 25th October 2017) as well as the documents on file.

The Board determined that the proposed development is strategic infrastructure development, generally in accordance with the Inspector's reasoning and recommendation.

In relation to the schedule of prescribed bodies (Appendix 1), the following changes are recommended:

- Include each of the three regional waste management regional offices in Ireland in the notification.
- Apart from Meath County Council, notification to individual local authorities is not considered necessary.
- Include the Irish Aviation Authority in the notifications.
