Board Direction

_____

Ref: 07.PC0232

At a meeting held on 29th May 2017, the Board considered the report of the inspector as well as the documents and submissions on file.

The Board determined, by a 2:1 majority, that the proposed development does not comprise strategic infrastructure, generally in accordance with the Inspector's reasoning and recommendation.

The planning application should be made to Galway County Council in the first instance.
