## Board Direction

---

**Ref: 06F.PC0248**

At a meeting held on 24<sup>th</sup> August 2017, the Board considered the report of the inspector as well as the documents on file.

The Board determined that the proposed development does not comprise strategic infrastructure, generally in accordance with the Inspector's reasoning and recommendation.

The planning application should be made to Fingal County Council in the first instance.

In relation to the query from the applicant regarding implications of the proposed development for the previous board approval (ref. PA0018) the Board noted and agreed with the advice of the Assistant Director of Planning (memo dated 16<sup>th</sup> August 2017), to the effect that there is no provision for the Board to offer the advice sought.
