Board Direction

Ref: 06F.PC0250

At a meeting held on 11th April 2018, the Board considered the report of the inspector (dated 5th April 2018) as well as the documents on file.

The Board determined that the proposed development is strategic infrastructure development, generally in accordance with the Inspector's reasoning and recommendation.

In relation to the schedule of prescribed bodies (Appendix 1), the following changes are recommended:

- Include Irish Water

Note: The Board noted that the scope/route of the proposed Metro North project has been changed as of the publication of the recent National Development Plan 2018-2027, which should be taken in to consideration by the applicant. (Please communicate this to the applicant).
