Re: Amending Board Order

S146A of the Planning and Development Act, 2000, as amended

The submissions on this file were considered at a Board meeting held on 24th June 2019.

The Board decided to exercise its powers under section 146A(1)(b) of the Planning and Development Act 2000, as amended, to amend its Order of 24th October 2018, by an amendment of Condition No. 2, in order to facilitate the operation of the permission.

The Board decided that a clerical error had occurred and considered that the amendment of the Board Order by the amendment of Condition No. 2 would not result in a material alteration of the terms of the development, the subject of the permission.

Having regard to the nature of the issue involved, the Board decided not to invite submissions in relation to the matter from any person who had made submissions or observations to the Board in relation to the permission or decision.

Accordingly, the Board hereby amends the above-mentioned decision by amending Condition No. 2, as follows:

2. This grant of planning permission for further quarry development relates only to the extension of the existing quarry extraction area to 17.3 hectares and the deepening of the quarry floor to +98mOD in accordance with the details submitted with the application on the 14th day of January 2016.

Reason: In the interest of clarity.

Board Member

Date: 24th June 2019
