Ref: 05E.QD0019

The submissions on this file and the Inspector's report were considered at a Board meeting held on 5th May 2017.

The Board decided to refuse permission generally in accordance with the Inspector's recommendation, subject to the amendments shown below.

REASONS AND CONSIDERATIONS

The proposed development relates to a site the use of which has not been authorised for the carrying out of quarry operations and which has not been regularised in accordance with the provisions of Section 261A of the Planning and Development Act, 2000, as amended. The proposed development would constitute a continuation and expansion of the said unauthorised use. In such circumstances, the Board is precluded from granting permission to further develop this quarry.
