

Board Direction

Ref: 11.SH0233

The application for extension of time was considered at a Board meeting held on 29th January 2016.

The Board noted the request of the applicant in letter received on 27th July 2015, together with the memo on file from David Curran SEO dated 29th July 2015, which summarises the background to the case.

The Board decided as follows:

Grant an extension of the period for the making of an application for substitute consent for a further period of **16 Weeks** from the date of this meeting.

Reasons and Considerations – as follows:

The Board noted the request made for an extension of the period for the making of the application for substitute consent in this instance, and taking into account the circumstances pertaining to this case, was of the opinion that the an extension of 16 weeks would be reasonable and appropriate to enable preparation of remedial Environmental Impact Statement.
