

An Bord Pleanála

## Board Direction

---

**Ref: 04.VC0096**

The submissions on this file and the Inspector's report were considered at a further Board meeting held on 2<sup>nd</sup> June 2016.

The Board decided, generally in accordance with the reasoning set out in the Inspector's recommendation, that the proposed development – which comprises a replacement substation, on brownfield lands, of limited scale and forming an end-point on the grid as opposed to new development of a substantial nature - does not constitute strategic infrastructure development. A planning application should be made in the first instance to Cork County Council.
