

An Bord Pleanála

Board Direction

Ref: 27.VC0103

The submissions on this file and the Inspector's report were considered at a Board meeting held on 16th May 2017.

The Board decided, generally in accordance with the reasoning set out in the Inspector's recommendation, and taking into account its nature and purpose, the proposed development of a replacement substation at this location does not constitute strategic infrastructure development. A planning application should be made in the first instance to Wicklow County Council.
