Eimear

Thank you for forwarding the minutes of the 1st meeting held in respect of the pre-application for the proposed Construction Material Management Facility (incorporating inert landfill) at Ballinclare, Kilbride, Co. Wicklow.

I confirm that we (Kilsaran / SLR) accept the minutes as an accurate record of our discussions but would ask that the following amendments be made

- Add Shane Dolan, Environmental Officer with Kilsaran as an attendee
- On the final sentence of Para 1 on Page 4 (of 11), note that the 2016 quarry planning permission granted by Wicklow County Council provided for annual output of approximately 800,000 tonnes of construction materials (and not waste)

On behalf of Kilsaran, I would like to request that the pre-consultation process be concluded and closed

Please acknowledge receipt of this request

Regards

Derek Luby
