Re: The installation of 1 telecommunications cabinet and a pole area.
Glenageary Road Upper, Glenageary, Co. Dublin

Dear Sir / Madam,

I have been asked by An Bord Pleanála to refer to the above-mentioned appeal and to the Board Order dated the 14th day of October, 2024, which refused the appeal against the licence.

Please note that an error occurred in the Reasons and Considerations section of the Board's Order in that the section of the Order should more properly have read as follows:

"Having regard to the nature, scale and design of the 15 metres high freestanding monopole carrying telecommunications equipment with ancillary ground-mounted infrastructure, the provisions of section 254 of the Planning and Development Act, 2000, as amended, the Dún Laoghaire-Rathdown County Development Plan 2022-2028 and the 'Telecommunications Antennae and Support Structures - Guidelines for Planning Authorities (1996) (as updated by Circular Letters PL 07/12 and PL11/2020, respectively), it is considered that the structure would not seriously injure the visual or residential amenities of the area or the amenities of property in the vicinity of the site. The structure would, therefore, be in accordance with the proper planning and sustainable development of the area."

Henceforth, the Board's Order should be read in conjunction with this letter.

The inconvenience caused is regretted.

Yours faithfully,

Ellen Morrin
Senior Administrative Officer
